University of South Alabama  
Department of Orthopaedic Surgery  
3421 Medical Park Dr., Building 2  
Mobile, AL 36693-3330

23<sup>rd</sup> Annual Southeastern  
Orthopaedic Foot Club

May 3, 2012 ♦ Sandestin, Florida  
7:00 am - 1:00 pm

Sponsored by: University of South Alabama,  
College of Medicine, Office of Continuing  
Medical Education and the Department of  
Orthopaedic Surgery

**Statement of Need and Target Audience**

The purpose of this conference is to update orthopaedists and other healthcare professionals with new knowledge specifically involving topics regarding the foot and ankle. Topics for this activity were derived from the 2011 program evaluations.

**Course Objectives**

At the conclusion of this activity, the participants should be able to:

- ◆ Utilize procedural and ambulatory care for the disorders of the foot and ankle.
- ◆ Recognize and incorporate therapeutic options for clinical problems of the foot and ankle.
- ◆ Apply these new diagnostic and treatment modalities and technical knowledge in the treatment of children and adults with foot and ankle abnormalities, as well as the highly trained athlete.

**Accreditation**

The University of South Alabama is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation**

The University of South Alabama designates this live activity for a maximum of 5 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only credit commensurate with the extent of their participation in the activity.

**Meeting Registration**

Fill out the registration form to the right and mail it along with your check to the address listed, or you can register on-line at [www.bit.ly/footclub](http://www.bit.ly/footclub).

**PLEASE NOTE: YOU MUST REGISTER FOR THE ALABAMA ORTHOPAEDIC SOCIETY MEETING SEPARATELY.**

**Hotel Reservations**

See back of registration form.

**Special Needs**

The USA Department of Orthopaedic Surgery is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

**Disclaimer**

The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.
